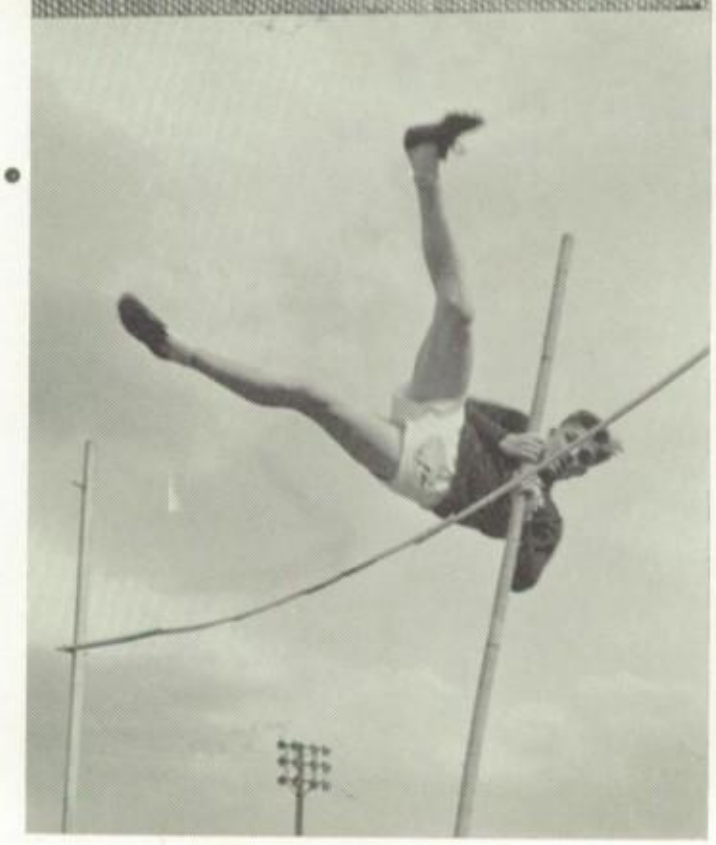
Typical American teenagers—blue jeans and bermudas; Saturday night dates; cramming for exams; love and devotion to family, friends, country, and God; these describe the Boardman High School students.



DEDICATION

Selected to receive the final tribute of the Class of 1955 is a member of the faculty who possesses a true understanding of the adolescent, his trials and tribulations. He has been a superior teacher, perfecting our skills in English and developing the arts that will enrich our future years. In our behalf he became dramatist, writing our class play.

For his friendly counsel and comradeship, for tireless efforts in our behalf, for rendering a truly outstanding performance, the Class of 1955 is pleased to dedicate this CRIER to Mr. William G. Dykins.

Congratulations and best wishes for the future to the Class of 1955.

You have just completed your senior year at Boardman High School, a most important milestone in your career. It has been your privilege for the past four years to contribute to the history of Boardman High School and to help create the atmosphere that prevails here. We hope sincerely that your accomplishments make you proud that you are a graduate of Boardman High School.

I. J. Nisonger

ADMINISTRATION

JUNIOR CLASS

Very seldom does Boardman find such a splendid and enthusiastic group of students as this years Junior Class. They sponsored the Annual Homecoming Dance, and held a number of dances after basketball games, with only one purpose in mind—the long-awaited prom. Also, this was the big year for class rings, the pride and joy of every junior.

Under the capable and efficient management of Miss Longwell, our class advisor, we had a very enjoyable and memorable year.

NATIONAL HONOR SOCIETY

To be a member of the National Honor Society is to be a part of the most respected and honored organization in school. To become a member one not only has to prove himself worthy of the four high standards of the society—character, scholarship, leadership, and service; but he has to maintain this excellence . . . truly an achievement—more a responsibility.

"Show me the leader, and I will know his men. Show me the men, and I will know their leader."

N.H.S. EMBLEM

The emblem of this society—the keystone and flaming torch. The four virtues; scholarship, character, leadership, and service are carved in this symbol.

SENIOR EXECUTIVE COMMITTEE

The class of 55's choice for their executive committee proved to be a fine one, as was shown by their accomplishments. They started their memorable year with the choice of Botch-Pernotto for the class photographer. The class colors, turquoise and white, paralled with the white camellia, as their flower; were chosen with a conservative thought. The senior assembly, senior day, and banquet were highlights of the year. In conclusion, the senior gift was chosen and presented to the school with the same spirit that was characteristic of the class of 55.

SENIOR SCHOLARSHIP TEAM

On January 29, twenty-two well-qualified seniors trudged down to South High School to take the scholarship test. As per usual, they did a creditable job with Dick Erickson and Roy Yeager copping the seventh and eighth places respecively. The rest of the group did very well, and we have good reason to be proud of them.

BUGLE

As each issue of the paper came out, "Where's my BUGLE!" could be heard echoing through the halls. Under the able assistance of the advisors, Mrs. Findlay and Mr. Moore, editor Janet Entzi and her staff published twelve suspense packed issues. Students and faculty alike looked forward to the numerous news and social articles of each edition which provided special interest and satisfaction to those whose names appeared in the articles and enjoyment to all readers. The editors and the staff have done an outstanding job in uncovering the unusual and also the everyday news items which make this year's BUGLE the best ever.

CRIER

Your classes, your activities, and your sports—all these make up your book of the year, the CRIER.

Amidst the cries of "meet that deadline, check that copy, and where's the dummy;" witty writers tell the story, shutter-bugs snap pictures of it, able artists illustrate it, and exuberant business managers supply the cash for it. All this is under the faithful guidance of Mrs. Russo, Mr. Massaro, and Mr. Allen.

The most important element in editing a year book is team work and cooperation of the staff. This year's staff profited by that in their struggle to complete the book for senior day.

MONITORS

"Stop! Just Checking." These trustworthy guardians of our halls would say. Their main jobs are: Keeping the halls clear, clean, and orderly; checking passes; and watching the stairs between classes. "All Alone" is their theme song.

STUDENT COUNCIL

The Student Council in its ninth year of continued service is an organization which works to obtain closer co-operation between the students and the faculty. It helps to promote law and order as well as maintaining the welfare and school spirit of the student body.

Snowmen, reindeer, choir boys, Christmas trees, and Santa Claus enlivened the halls before Christmas as the Student Council joined in to help keep the spirit of Christmas alive for the young at heart. The council also sponsored a highly successful clean-up campaign (Seniors won!), dances after the games, aided the underprivileged through contributions to the Boardman Ex-servicemen's Club, scheduled assemblies, under-wrote the Underclassmen's assembly, helped to select cheerleading finalists, and finally launched another great Intra-mural track meet.

Y-TEENS

"Who is the clown?" "It's impossible!" "Have you had your fortune told yet?" These utterances and many others drifted from the cafeteria the night of the Hi-Y—Y-Teen get-acquainted party. Everyone got into the act that night! At Christmas time, the halls echoed the carols sung by Avida's choir and the gifts to the under-privileged gladdened the hearts of children and adults. Collega girls won't ever forget their "stylish" fashion show, splashing in the "Y" pool or their talent show. The "Judo" program, the All-City recognition service and the dances, the annual Rose Ceremony, and, of course, the magnificent, never-to-be-forgotten Sweetheart Ball helped to create better fellowship among all Y-Teen girls and their community.

"Takes two to tango."

Hi-Y

The Boardman Hi-Y began a busy and properous year with their traditional managing of the football concessions and the selling of those familiar school pencils. Once again the Hi-Y aided the Y-Teens in presenting a successful get-acquainted party. The glorious crowning at the Hi-Y Prom was re-introduced into Boardman's School life.

During the winter and spring, the two Hi-Y groups challenged each other to rugged basketball and baseball games. Other notable events were Civic Day, the Father-Son Banquet, and the sending of representatives to Columbus to conduct a model legislature.

FRENCH CLUB

"Bon Jour Mes Amies"; and another session of the newly organized French Club has begun. The organization is made up of Junior and senior French students under the guidance of Mr. Fargeix.

At bi-monthly meetings the members discuss future events in French of course. Besides increasing the vocabulary, the meetings are also highly interesting.

The highlight of this past year was the French Soiree, the planning of which was assumed largely by the officers. The Soiree was presented in real French style just like in gay Paris.

ART CLUB

Talent! Fun! Cooperation! These are the three key words in the Art Club. This organization was started in 1953 by Mrs. Eileen Russo, the advisor. Its purpose is to encourage worthwhile projects in the fine quality arts and to beautify Boardman High School. The group's social events of the year have been a Hallowe'en Party, a Swimming Party, and the Annual Spring Art Show which emphasized the many various professions that there are in the art field.

SPEECH CLUB

Someday when we hear and see famous speakers, we will probably hear a few from Boardman High School's Speech Club.

This year, in the Ohio Speech League and the National Forensic League Tournaments, four members from Boardman received honors. These honors enabled them to go on to the state finals in Columbus. The Debate Teams have had a very fine showing this year.

Under the guidance of Mr. Bennington and Mr. Ross, the Speech Club has continued on a steadily progressive course.

CADET TEACHERS

If you're hearing whistles around school, it's just those cadet teachers keeping their young charges in line. These student physical education teachers give forty-five minutes of every day to help out the physical education teachers, and also enable the elementary teachers to enjoy a free period. They organize games such as dodge ball, relays, and baseball for the elementary and junior high students to play. The cadet teachers enjoy their daily bouts with the younger generation.

COMMERCIAL CLUB

A "Get-Acquainted" picnic opened this year for the Commercial Club. Under the guidance of Miss Reeser and Miss Parker, the club had a very active year.

Two field trips were taken to help prepare members to meet the business world. The senior members concluded the year by going out to work in business establishments for two days.

A senior luncheon, and the annual spring banquet, to honor graduating seniors, added color to the school year.

OFFICE FORCE

"Good morning, Boardman High School." This friendly response by one of the sixteen girls who works in the office gives people a good impression of our school from the moment they call. These girls collect and distribute the absence lists, run errands, and take care of the switchboard. In every way, they are Mrs. Welsh's helpers.

F.T.A.

"The fate of empires depends on the education of youth" is one of the reasons for the Future Teachers of America chapter at Boardman. Members, under the guidance of Mr. Tidd, discussed the determining factors necessary for good teachers. Substituting during the absence of regular teachers gave members actual worthwhile experience.

KAYBEES

This year, as always, the Kaybees have kept the library running efficently. Some of their many duties are: helping students select books, checking books in and out, and signing passes.

Under the guidance of Mrs. Dearing, these girls have proved themselves worthy "keepers of the books."

F.H.A.

The F.H.A. was a very busy organization this year, under the leadership of Miss Roman. The members made toy animals for the Junior Red Cross and sent Christmas cards and a box of sweets to a convalescent home in December. In March they held their annual Mother-Daughter Banquet at Raver's

Following a food demonstration in April, they brought their busy year to a close with an all day trip to the Hoover Company and the Berger Kitchen Cabinet Manufacturing Company in Canton.

A CAPPELLA CHOIR

Many fourth period classes have been serenaded by the daily practices of the Boardman A Cappella Choir. It is considered a high honor to be a member of "The Organ-Toned Choir," as it has been called by many audiences. These honored members have shown an increasing interest in their organization under the excellent leadership of their director, Miss Etheleda Szalma.

An intense interest in the community has been shown in many performances for organizations such as Thanksgiving Services at Central Christian Church, Foster Presbyterian Church, Lutheran League Society, Protestant Men's Dinner, Banker's Dinner, Eastern Star, and Boardman Kiwanis.

As in past years, the Choir has given Winter and Spring Festivals, sung for the National Honor Society, and for Baccalaureate Exercises. They received an "Excellent" rating at the District Contest.

However, it hasn't all been work. The choir had a barbecue and their annual Christmas Party for the Alumni.

The seniors of the organization have been planning their trip to Washington, D. C. in June.

Aside from the Choir there are three vocal ensembles: The Three Belles, The Tonettes, and The Hi-Notes.

MIXED CHORUS

The Mixed Chorus, a training choir for many future A Cappella members, has done its very best to make this year both satisfying and happily successful. This group of 104 talented members proved their worth by the outstanding performances they rendered in the winter and spring choral concerts. Socially this year the Mixed Chorus enjoyed a "Frankies Roast" at Thanksgiving and the annual A Cappella Christmas dance, the "Snowflake Frolic."

With the help of our patient understanding director, Miss Szalma, and the wonderful co-operation rendered by all the members, we had a splendid year.

This year for the first time, we have had an orchestra at Boardman. They have shown real possibilities and have made a good foundation for the orchestra in the future years. The ensembles in orchestra, as well as the ensembles in band, did very well.

We also had a large number of solos this year who all made excellent showings.

FRESHMAN FOOTBALL

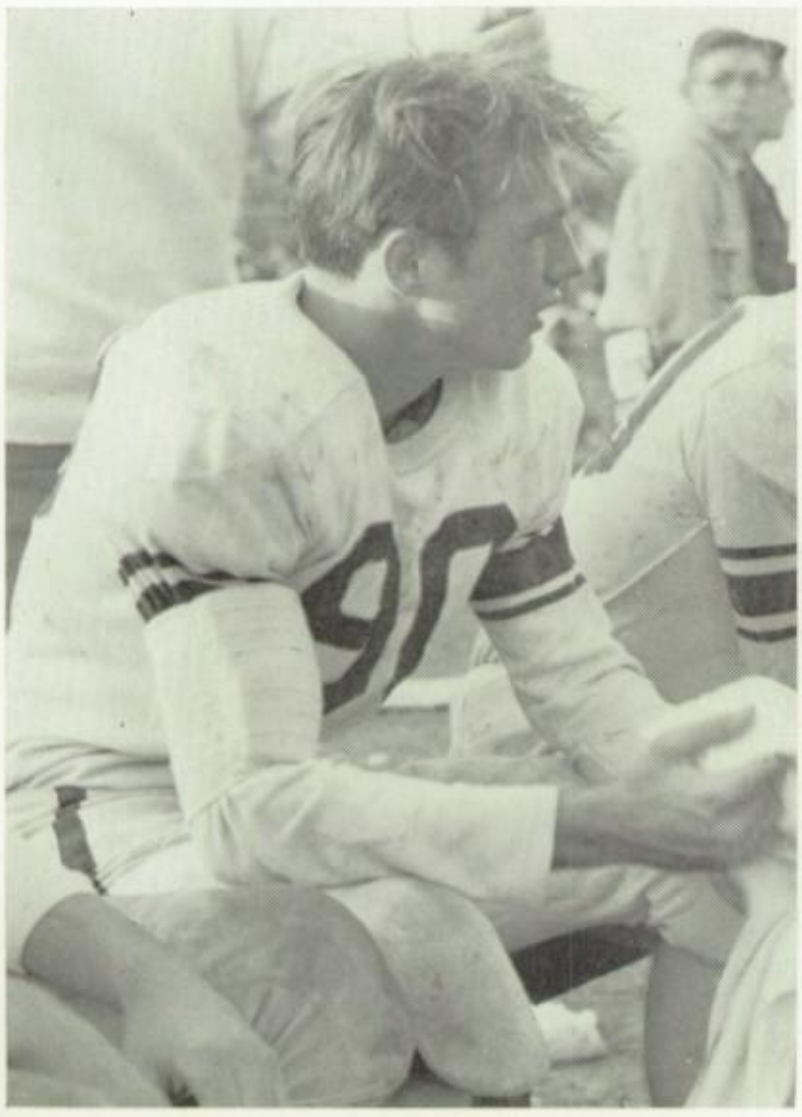
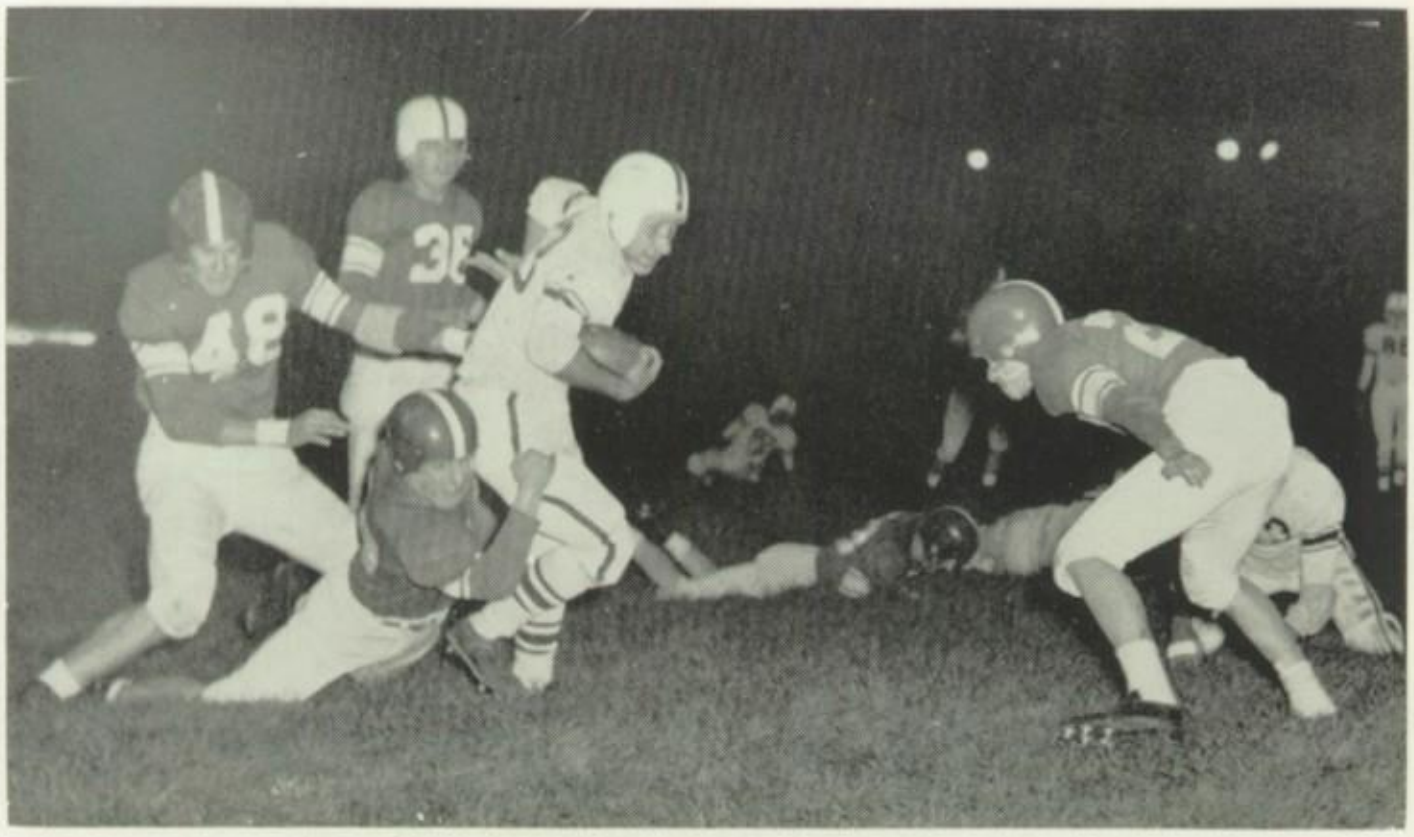
The Boardman High School freshman football team finished the season with a record of three wins and three losses. Mr. Istnick and Mr. Selby, in coaching the frosh, found some boys whom they think will help the varsity next year and in years to come. Weachter was elected captain of the team. Coach Selby felt that Faull, Stoner, and Gaskeen were defensive standouts while Faull, Pinhey, and Cooper stood out on offense. The Freshmen won their first two games, defeating Fitch 18 to 0 and Hubbard 12 to 6. They then proceeded to lose their next three to: Struthers 12 to 7, Campbell 13 to 7, and Girard 6 to 0. Then they ended their season as they defeated Niles 12 to 6.



Blood, Sweat, and Tears.

Hold that line!



Come on "Slev!"

VARSITY FOOTBALL

The Boardman Spartan football team; under the guidance of head coach Friend, and assistants Sonoga, Lugibihl, Istnick, Matesy, and Selby, opened the season with what seemed to be a fairly good team. But they were hampered by pre-season injuries which kept several players out of action for the season.

Don Bender was chosen by the coaching staff to captain the team. "Benny" did a fine job of leading the boys and keeping them in order on the playing field.

The Spartans opened the season in an abreviated contest with South in the Preview. We showed fine form, but the best we could do was play to a scoreless tie.

Boardman met Memorial, our chief rival, in the opening game of the regular season, but wound up on the short end of a 12 to 6 score. Bartoli scored our lone touchdown. Youngstown Woodrow Wilson then defeated the Spartans by a 7 to 0 score.

Next on the schedule were the Niles Red Dragons, rated one of the best teams in the state. Niles won by a score of 26 to 7. Slevin scored our only points.

Boardman next played host to Girard who won 26 to 0. The following week North invaded the Spartan Stadium. We were up for this game because it was our homecoming. We won by a score of 13 to 7. Slevin scored one touchdown, while Clingan scored the other on a pass from Cailor.

Hubbard, our next opponent, won 13 to 7. Slevin scored our only points. We then went to Newton Falls and won that game 22 to 7 with Slevin scoring two touchdowns and Middleton scoring on an intercepted pass.

We then faced Struthers, who having about the same record as we did, won 21 to 7. Slevin again scored our only points. Then came the last game of the season—Fitch. After working hard in preparation of the game, we lost 39 to 13. Lucente and McCabe scored for Boardman.

The season record of two wins and seven losses wasn't too impressive but the team tried hard, and the school spirit was wonderful.

VARSITY BASKETBALL

The varsity basketball team of Boardman High School had one of its most successful seasons in its history as a Class "A" school. After compiling an excellent season mark of sixteen wins and four loses, the Spartans went on to win the NEO Sectional Tournament, the first time Boardman, since turning to a Class "A" school, has done this. By winning this championship, the Spartans advanced to Kent for the district playoffs. They met Canton Timken and were defeated. Coach Dolan and the whole student body are very proud of this year's team.

The first team of Boardman was centered around six boys: "Butch" Anderson, Al Burns, Howdy Cailor, Lamont and Lamar Jacobs, and Jim McCabe. McCabe and Cailor were chosen captains. Cailor led the team in scoring with a total of 366 points in 25 games for an average of 14.6 points per game. Burns was close behind Cailor with 333 points in 23 games for an average of 14.5 points per game. Cailor and Burns also led the team in foul shooting, making 63 per cent of their shots. BASEBALL

The 1954 baseball season proved to be average, as Coach Dolan and his boys won five games and dropped five. During the regular season, they defeated Wilson, Struthers, and Hubbard; and were defeated by Niles, East, and by Memorial twice. In the NEO Tournament, the Spartans defeated Hubbard and Wilson, but were defeated by Struthers. For the season Lamar Jacobs was the leading batter with an average of .369.

Returning lettermen this year include: Ball, Burns, Cailor, Gilbert, L. Jacobs, S. Jacobs Graff, and Flower. These boys will be counted on a great deal this year along with several other boys who didn't make their letters but have a year of experience behind them.

Track has come into its own at Boardman since Mr. Gulgin has taken over as head coach. The boys have taken a new interest in track, as was evidenced by the number of boys who appeared for practice for the 1955 squad. Most of the 1954 squad will be back again this year, headed by Chuck Price.

Last year's squad broke several records which stand to be broken again this year. Returning lettermen along with Price include: Anderson, Bender, Crosby, Hall, Lind, McCabe, Moore, Sebastian, Slevin and Thomas.

School Spirit—Decorating the halls before the game are Booster officers: S. Pelz, vice president; B. A. Byrns, president; and K. Iannucci, secretary-treasurer.

BOOSTER CLUB

The spirit behind those cheers echoed at all the B.H.S. games originated from the lungs of the Mighty Boosters. These people are the faithful ones who merged from many a game with very little voice left. Leading this enthusiasm was their faithful adviser, Mr. Ballinger. Not only did these students yell their heads of cheering the team, but they also worked them off decorating the goal posts or the school halls before the games.

Besides giving vocal support every year, the Booster Club puts on clever stunts especially designed to build up school spirit.

Members attend all the games, at home or away, to show how proud they are of their team.

G.A.A.

For many years, the Girls Athletic Association has been aiming to promote and develope athletic interests, such as good sportsmanship and better health, among its members. The G.A.A. promotes good felowship among the girls and friendly competition among the members to make better women of the future.

Up and over it goes!

GOLF TEAM

The golf team is one of the more recent school sponsored sports, and has been met with much enthusiasm and ambition. Competition for places on the team is keen, making strong spirit among the players. Golf is a major factor in promoting individual good sportmanship and teamwork of each and every player.

RIFLE TEAM

Our Rifle team ranks in the upper third of the nation. It's biggest event of the year is the National Rifle Association Meet. Werner Wicke, captain of the team, won the Distinguished Rifleman's Award this year. Many other members have their Expert Awards. These Boardman Rifle Teamsters will take on all comers, in fact, anyone with a team!

This year, as in the past, the success of the CRIER has depended largely upon the businessmen of the community. The generous contributions of these patrons make this publication possible. We wish to express our sincerest thanks to these men and urge you to patronize them when in need of quality products or services.

We would like to acknowledge the fine cooperation of the following concerns who were directly associated with the printing of this year's CRIER.
